

Guidelines for TAA with the University of the Pacific for Junior & Community College Counselors

1. Students who are interested in Art, the Conservatory of Music, Dental-Hygiene, Pharmacy or Pre-Pharmacy, Biology and Chemistry-Biology are not eligible for TAA's.
2. Students may apply for either Fall or Spring terms. Summer is not a valid term of entry. Students must submit their **admission application** by February 15th for Fall entrance or November 15th for Spring entrance. The TAA must be filed by:
 - February 1st for Fall entrance
 - July 1st for Spring entrance
3. Students must have an overall cumulative GPA of a 3.0, and no grade below a C in their most current semester/quarter.
4. When evaluating the GPA be aware that academic renewal does not apply. We will use the highest grade if a class is repeated. Grades of C- or lower do not carry units, though they do count in the GPA calculation. Non-transferable courses do not count in the GPA calculation.
5. Students may not be working toward high school graduation while simultaneously enrolled at a community college.
6. International students must see "Special Instructions for International Students."
7. Students can apply for a TAA in two ways:
