

Faculty Positions in Chemistry, University of the Pacific

The Department of Chemistry at the University of the Pacific (<http://.pacific.edu/college/chemistry>) invites applications for one and possibly two tenure-track faculty positions at the assistant professor level, with focus on one of the following areas: inorganic/bioinorganic; physical; or biochemistry. The successful applicants will contribute to teaching in general chemistry and in their area of specialization at the undergraduate and graduate levels (Masters and PhD) and are expected to develop a strong research program and pursue external funding. The targeted starting date is the beginning of fall term 2010. Applications should be received by Oct. 7, 2009; the positions are open until filled. Applicants are to submit a CV, statement of teaching philosophy, research proposals and three letters of recommendation in pdf format (chemsearch@pacific.edu) to Dr. Larry Spreer, Chair./. The University of the Pacific is an AA/EO employer and is committed to broadening the diversity of its workforce.
