#### General Education

Pacific will accept any Community College Transfer General Education program as satisfying our own, with at most one additional class being required. (See next page.)

Students who present a transcript showing satisfactory completion of the above listed core requirements will be able to enroll with full junior standing. Completion of the Bachelors degree can be done in two additional years plus twelve months of Cooperative Education. Pacific does not require a minimum number of completed units for community college students to transfer to University of the Pacific.

- (1) **REQUIRED** only for Bioengineering.
- (2) **REQUIRED** only for Civil Students with environmental emphasis and Bioengineering. Elective for CpE, EE, ME, and other CE majors.
- (3) **NOT REQUIRED** for Bioengineering and Engineering Physics majors.
- (4) **NOT REQUIRED** for Bioengineering, Electrical, Computer and Engineering Physics majors.
- (5) If the student has not completed this requirement, the student should contact the School of Engineering and Computer Science for summer school information.
- (6) **REQUIRED** for Civil majors.
- (7) Electrical and Computer Engineering majors **REQUIRE** C++ programming.
- (8) **REQUIRED** for Mechanical majors.
