**GRADE FOR MASTER'S THESIS**

**IMPORTANT: This report is to filed at the Graduate School office no later than the deadline date for thesis defense in the semester in which the candidate expects to receive her/his degree. Consult the Graduate School Calendar for these dates.**

The chairperson of the thesis committee is responsible for securing the signature of each committee member and the grade, which she/he wishes to assign, to be entered in the appropriate spaces below. Most theses are graded on a pass (P) or no credit (NC) basis. The grades assigned need not be the same for all committee members. The exact title of the thesis must appear in the space indicated for that purpose
